

CME Information

DV047 – Endoscopic Management of Barrett's Esophagus

Instructions:

Read this information sheet pertaining to the video. View the video, then complete the evaluation form. Return completed evaluation forms to the ASGE via fax, mail or email. A CME certificate will be emailed within 2-4 weeks of receipt to the email address indicated on the form.

Description and Learning Objectives:

In the past few years, multiple new endoscopic techniques have evolved for ablation of dysplasia in Barrett's esophagus. This video provides viewers with a comprehensive presentation of the endoscopic diagnosis and treatment techniques for Barrett's esophagus, including endoscopic mucosal resection, multipolar electrocoagulation, argon plasma coagulation, photodynamic therapy, radiofrequency ablation and cryotherapy.

As a result of participating in this educational activity, physicians will be able to:

- Discuss the new imaging techniques used in the diagnosis and management of Barrett's esophagus.
- Summarize the endoscopic techniques for treating high grade dysplasia in Barrett's esophagus, including the procedures, benefits, risks and outcomes of these techniques.

Target audience: Practicing gastroenterologists, gastroenterology fellows and trainees, medical residents, physician assistants and nurses.

Authors:

Deepak Agrawal, MD, Srikrishna Vemana, MD, Amitabh Chak, MD, FASGE

Disclosures:

All faculty participating in continuing medical education programs must disclose to the audience any financial interest with any commercial supporter or other relationships with manufacturer(s) or providers of any product or service related to the content of their presentation. All content is peer-reviewed to ensure its quality and independence.

Amitabh Chak, MD, FASGE, discloses that he is the recipient of research support from Olympus America.

All other individuals involved with planning and developing the content disclosed no relevant financial relationships.

CME Information:

The American Society for Gastrointestinal Endoscopy (ASGE) is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education to physicians.

ASGE designates this educational activity for a maximum of 1.50 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Original Release Date: May 1, 2010

CME Expiration Date: May 1, 2013
